

EDMUND W. MILES MIDDLE SCHOOL
AMITYVILLE, NY 11701

September 2018

Dear Parents and Guardians:

Our Middle School had a very successful opening this year. The teachers have been charged with raising the expectations of the students and we are confident that the students will rise to the challenge. Your support is needed in achieving this goal.

On another note, we will hold our annual **BACK-TO-SCHOOL NIGHT** on Thursday, September 20th for all parents/guardians of students in grades 7-9.

On this night you will have the opportunity to meet each of your child's teachers and hear a presentation which will include a description of their course, the teacher's expectations, homework policy, testing practices and other classroom procedures. Each period has been shortened. Your evening starts with a "Title 1 Workshop and Resource Night" from 6:00-6:30 pm. You should then follow your child's schedule period by period.

Parents will go to the cafeteria during their child's lunch period, and the Amityville Parent-Teacher Council will provide refreshments.

The schedule for each period is below. Please have your child provide their schedule information for an **"R" day**. Please note that all single and double digit room numbers, as well as 100 room numbers, are located on the first floor. All 200 numbers are on the 2nd floor and 300 numbers are on the 3rd floor.

The purpose of this night is to give you an overview of your child's educational program for the year. The structure of the evening will not allow for personal questions relating to your child. You may make an appointment with a teacher for a later date to discuss particular concerns. We look forward to your visit.
